

Islamic Council of Ohio Goals

The Council has established goals that it aspires to achieve while working collaboratively with all of the State's ICO members. Among these, the Council's objectives are to:

- Seek to educate the public about Islam and Muslims with the intention of dispelling main-stream misconceptions and abating prejudice
- Counter biases or acts of discrimination directed at Muslim individuals
- Promote inclusion of Muslims in our American society by enabling and encouraging their greater participation in civic, cultural, and socio-political affairs
- Serve as a clearing house of information and referral service both for the Muslim community and the public-at-large
- Expand positive recognition of Islam by promoting public awareness programs and events that involve the socio-religious interactions of both Muslims and the interfaith community, such as Islamic Day of Ohio

Faith & Politics: Our Shared Responsibility

*Thank you for joining us in celebrating Islamic Day in Ohio,
an annual event established in 1987 by Ohio's former
Governors Richard Celeste and George Voinovich.
The Islamic Council of Ohio is proud to share this celebration
with our friends and neighbors.*
